

CONSTITUTION WATER.—CONSTITUTION WATER, the only known remedy for Diabetes, Stone in the Bladder, Calculus, Gravel, Brick Dust Deposit, and Mucous or Milky Discharges, Irritation of the Bladder, Inflammation of the Kidney, Catarrh of the Bladder.

The astonishing success which has attended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system.

Persons, if conscious of any weakness, should take the CONSTITUTION WATER; whether broken down by excess, weak by nature, or impaired by sickness, the strengthening and relaxed organization is at once rebraced, revived and built up.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom of an almost idiotic apathy, becomes bright and active, and he goes forth regenerated, conscious of new vigor.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. Try it in these cases, and you will give your praise to CONSTITUTION WATER.

MALES OR FEMALES, are you troubled with that distressing pain in the small c back, and through your legs? "Constitution Water" will relieve you like magic.

For sale by all Druggists. Price \$1. W. H. GREGG & CO., Proprietors. MORGAN & ALLEN, General Agents, No. 46 Cliff-street, New York.

SPECIAL NOTICE.—"GREAT OAKS FROM little acorns grow." The worst diseases known to the human race spring from causes so small as to almost defy detection.

Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close.

A few bottles of PLANTATION BITTERS Will cure Nervous Headache. Cold Extremities and Feverish Lips. Sour Stomach and Feetid Breath. Flatulency and Indigestion. Nervous Affections. Excessive Fatigue and Short Breath. Pain over the Eyes. Mental Depression. Prostration, Great Weakness. Sallow Complexion, Weak Bowels, &c. Which are the evidences of LIVER COMPLAINT AND DYSPEPSIA. It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The biliary secretions of the liver overflow into the stomach poison the entire system and exhibit the above symptoms. After long research, we are able to present the most remarkable cure for these horrid nightmarish diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the PLANTATION BITTERS, and not an instance of complaint has come to our knowledge! It is a most effectual tonic and agreeable stimulant, suited to all conditions of life. The reports that it relieves upon mineral substances for its active properties are wholly false. For the satisfaction of the public, and that patients may consult their physicians, we append a list of its components. CALSAYA BARK.—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Weakness, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1640, and afterwards sold by the Jesuits for the enormous price of its own weight in silver, under the name of Jesuit's Powder, and was finally made public by Louis XVI, King of France. Humboldt makes special reference to its fourfold qualities during his South American travels. CASCARA BARK.—For diarrhoea, colic and diseases of the stomach and bowels. DANDELION.—For inflammation of the loins and dropsical affections. CHAMOMILE FLOWERS.—For enfeebled digestion. LAVENDER FLOWERS.—Aromatic, stimulant and tonic—highly invigorating and increases nervous debility. WINTERGREEN.—For scrofula, rheumatism, etc. ANISE.—An aromatic carminative; coating food, muscle and milk; much used by mothers nursing. Also, clove-buds, orange, curraway, cardamom, snake-root, &c.

S. T.--1860--X.

Another wonderful ingredient of great use among the Spanish ladies of South America, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

IMPORTANT CERTIFICATES.

ROCHESTER, N. Y., December 28, 1861. Messrs. P. H. DRAKE & Co.—I have been a great sufferer from Dyspepsia for three or four years, and had to abandon my profession. I am respectfully yours, REV. J. S. CATRON.
